Dream-maker Massage System

OPERATING MANUAL AND OPERATING INSTRUCTION

Dear Customer,

Welcome you as our valuable customer of a state-of-the-art ***Dream-maker*** massage product.

Your ***Dream-maker*** massage system uses a programmed chip that simulates the masseurs' massage pattern together with a heat element, to provide an ideal massage movement to fatigue or distorted muscles, for improving the blood circulation, and relieve the tensions of stressful living. Of course, you can select your personal setting by adjusting the strength and selecting the position to be massaged as you like. We are surely that you can feel the stiffness dissipate after you enjoy it.

Enjoy your new ***Dream-maker*** massage system product now!
