A MODERN RANGE FOR A SUSTAINABLE FUTURE

**As one of the UK's leading chemical manufacturers, Greyland Limited has been providing customers with market leading industrial chemicals and cleaning products since 1998.**

Our location on the outskirts of Manchester allows for immediate access to the major motorway networks. This helps Greyland Limited to offer it's flexible, reliable service via our long-proven distribution network, whilst minimising order to delivery time and reducing our carbon footprint.

Being environmentally conscious, we deliver a cost effective, sustainable range of products for a broad variety of applications.

Greyland Limited is the home of Maximum Eco, a continually developing brand of sustainable hygiene products delivering maximum efficacy, with minimal environmental impact.

Our quality and environmental management systems are accredited to ISO9001 and ISO14001 respectively. As we are a certified member of the CHSA Chemical Manufacturers Accreditation Scheme, we are regularly audited to verify that we trade ethically and sustainably while producing high-end, fit for purpose products.

Our modern, bespoke 50,000 square foot factory offers extensive manufacturing capacity and a quick turnaround for customers. Recent expansion to our site has allowed us to substantially grow our output to our largely UK and European customer base.

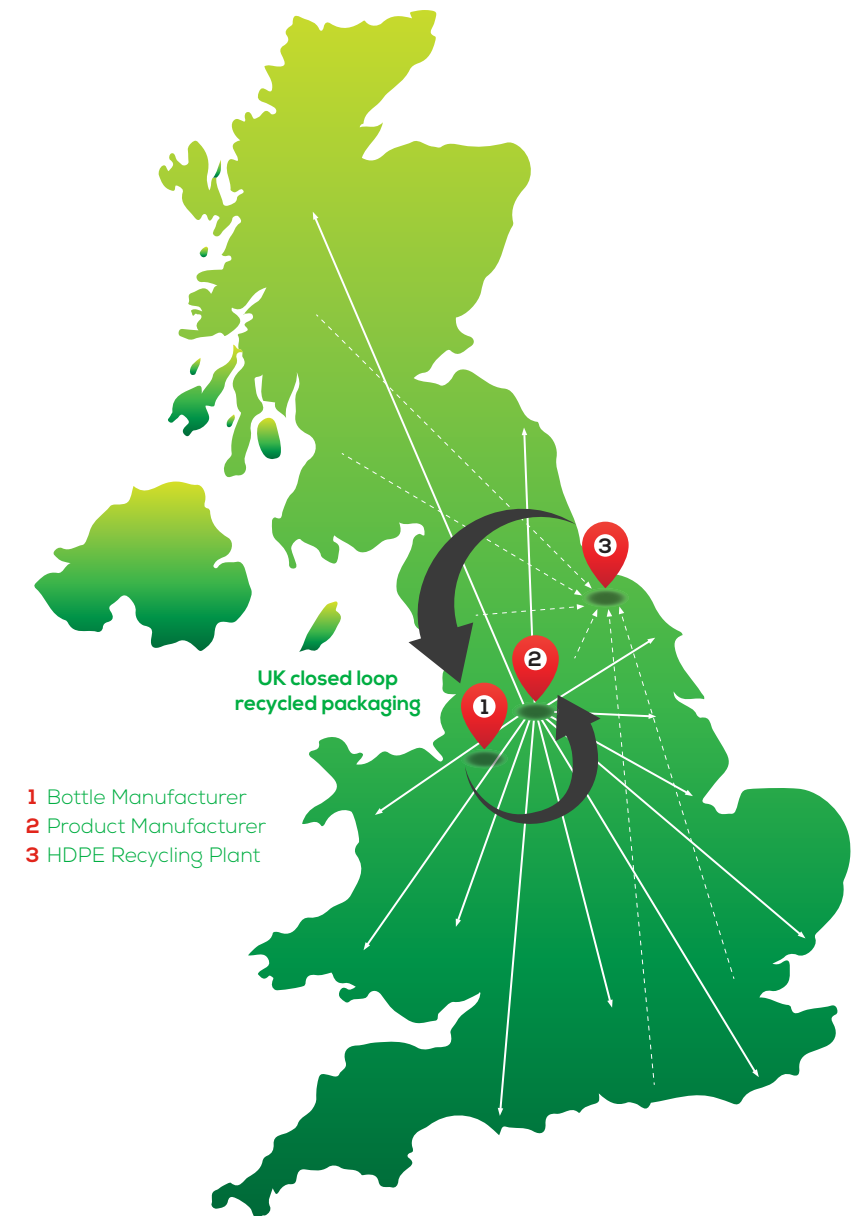

We are able to produce batch sizes from 1,000L to 10,000L, available in a variety of packaging tailored to your demands.

Our continuous, strategic expansion now provides employment for an ever-increasing number of local people. We are proud to champion our locality and are extremely active socially, helping out and supplying local foodbanks and supporting local charities.

The vast majority of all of Greyland's plastic containers, including the Maximum Eco range, are manufactured by Alpla UK using a high level of recycled polymer. The aim being to develop and implement sustainable bottle packaging long into the future. Using their extensive bottle manufacturing experience, Alpla UK have introduced the use of recycled polymers to the industrial cleaning chemicals sector.

Greyland's cleaning chemical ranges are supplied to the market place in plastic containers made from (PCR) Post Consumer Recycling Polymers, recycled entirely within the UK. A successful rollout of these recycled materials ensures that all Greyland Distributors will meet the future demands and expectations of retailers and consumers.

**Greyland Limited are proud to have achieved the Planet Mark Business Certification, furthering our commitment to reduce our impact on society. This is an incredible achievement involving the entire business.**

Greyland Limited are proud to have achieved the Planet Mark Business Certification, furthering our commitment to reduce our impact on society. This is an incredible achievement involving the entire business.

The Planet Mark Business Certification is an internationally recognised sustainability certification for all organisations acknowledging continuous progress, encouraging action and building an empowered community of like-minded individuals.

In order to achieve this sustainability certification, we've followed a robust three-step process: Measuring our impact, engaging everyone in the business and communicating our progress. We have measured our own carbon footprint and will continue to take responsibility of our carbon emissions to have a positive impact on planet and society. We are also contributing to the UN SDGs (Sustainable Development Goals) as we believe that it's important, more than ever, to do more good and create a sustainable future.

Through Planet Mark, we are proud to have protected an area of endangered rainforest with Cool Earth – a charity working alongside rainforest communities to halt deforestation. Our pledge through Cool Earth goes directly towards supporting the Asháninka community in Central Peru.

Additionally, through our commitment to Planet Mark, we are making a charitable donation to The Eden Project – an educational charity, connecting us with each other and the living world, exploring how we can work towards a better future.

Our entire business has contributed to our achievement in becoming Planet Mark certified, and every individual will continue to play an important role in our sustainability commitment.

We want to continue to have a positive impact through our business and hope that we can empower our community to take climate action. We hope that you will join us in this movement for change.

We encourage you to get in touch if you would like further details on our journey.

**Maximum Eco is manufactured by Greyland, one of the leading cleaning chemical manufacturers and are also one of the few UK companies to be awarded both the ISO 9001:2015 Quality Standards and the prestigious ISO 14001 Environmental Standard.**

Greyland have always been committed to the industry's highest environmental standards, not just within its own factory and warehousing, but also with its manufactured products. The Maximum Eco Range was introduced for those customers looking for selected products balancing minimum environmental impact with maximum efficacy.

**The Maximum Eco range now consists of three sections:**

- > **Biotech Range**
- > **Super Concentrate Range**
- > **And a range of more traditional, environmentally conscious products**

There is a product in every area that users are likely to need, from dealing with toilet odours, to maintaining hard floors or cleaning carpets, degreasing hard surfaces, or for simply washing hands, Maximum Eco by Greyland covers it all.

Greyland takes responsibilities towards the environment very seriously. As well as the ISO 14001 Environmental Standard, Greyland is a member of the Green Business Network. We recycle all packaging, plastics as well as cardboard, and of course, our environmental policy means that we comply with REACH and all current water authority regulations.

Maximum Eco Range is available now, so please call us today.

## Biotech Range

Maximum Eco by Greyland includes a range of products based on the latest biotechnology. Biotech products have seen a vast uplift in recent years. They work by using eco friendly bacteria to colonise surfaces. Enzymes are then produced which break down organic matters such as carbohydrates, fats and proteins. By doing this, these products are able to effectively remove soiling for a long-term cleaning effect and help to eliminate unpleasant odours. Due to the non-corrosive nature of probiotic cleaners in use, surfaces are not damaged by their regular application.

The key benefits of using probiotic cleaners include cost reductions, health benefits and a reduction in environmental impact. These products use a sustainable source of UK cultivated bacteria and enzymes which have a minimal environmental footprint. As always, cost effectiveness is key when selecting cleaning products. Once the surfaces are colonised, the bacteria continues to work long after the product is applied. This reduces the volume of product required and, as a result, costly labour time. Bacteria can reach hard to access areas where conventional products would not be as effective, such as in grouting, floor imperfections, grease traps and carpet underlay.

### **BT1 All Purpose & Floor Cleaner Concentrate .....5L**

- Breaks down organic soiling in the washroom environment
- Eradicates odour issues and blockages
- Enables significant water saving
- Safe to use with waterless urinals, Maximum Eco Biological Urinal Blocks and compatible with septic tanks

### **BT2 Kitchen Cleaner & Degreaser Concentrate.....5L**

- Removes and prevents build up of limescale and uric acid within pipe systems
- Eradicates odour issues and blockages
- Offers significant water saving benefits
- Safe to use with waterless urinals and compatible with septic tanks

### **BT3 Grease Trap Maintainer..... 5L, 10L & 20L**

- Breaks down organic soiling in the washroom environment
- Eradicates odour issues and blockages
- Enables significant water saving
- Safe to use with waterless urinals, Maximum Eco Biological Urinal Blocks and compatible with septic tanks

### **BT4 Universal Washroom Cleaner ..... 5L & 6x750ml**

- Removes and prevents build up of limescale and uric acid within pipe systems
- Eradicates odour issues and blockages
- Offers significant water saving benefits
- Safe to use with waterless urinals and compatible with septic tanks

### **BT5 Toilet & Urinal Cleaner..... 10x1L**

- A non-toxic drain and gully cleaner and maintainer
- Prevents build up of grease and fats that cause odours and blockages
- Improves drain flow rates and effective on all types of drains and small bore pipes
- Compatible with septic tanks

### **BT6 Urinal Blocks .....1.1kg**

- Effective where soiling such as bodily fluids or spilt beverages have absorbed into the fabric or ..... flooring
- Ideal for preventing odours in small bore pipes from sinks, baths, showers
- Multi use product containing a pleasant fragrance
- Non-harmful and compatible with septic tanks

### **BT7 Odour & Stain Digester..... 5L & 6 x 1L**

- Effective where soiling such as bodily fluids or spilt beverages have absorbed into the fabric or flooring
- Ideal for preventing odours in small bore pipes from sinks, baths, showers
- Multi use product containing a pleasant fragrance
- Non-harmful and compatible with septic tanks

## Super Concentrate Range

The Maximum Eco Super Concentrate Range combines optimum performance with environmental sustainability and cost in use for many different sectors. Products can accurately be dispensed into refillable trigger bottle made from recycled polymer or to a bucket.

Each pack of 2x2L can produce up to 266 trigger bottles or 50x1L toilet cleaner bottles, significantly reducing the carbon footprint from transporting the goods as well as greatly reducing the single use plastic in the supply chain.

Products can be dispensed via an on the wall dispensing system, or even more simply by a pelican pump.

### SC1 All Surfaces and Floor Cleaner .....2L

- Highly versatile, naturally powerful cleaner for all surfaces and floors
- Rapidly lifts grease, oils, stains and body fats
- Suitable for use on hard surfaces, carpets and soft furnishings

### SC2 Foodsafe Cleaner and Sanitiser .....2L

- Dual action, odourless and non-tainting formula cuts through grease and dried on food soiling
- Ideal for use in kitchens, food preparation areas, hospitals and nursing homes
- Independently tested and certified to EN1276 and EN14476 at a 2% dilution

### SC3 Foodsafe Ultra Degreaser .....2L

- Powerful formula cuts through the heaviest grease, oil and fatty deposits
- Non-prefumed, non-tainting degreaser
- Ideal for use in kitchens, food preparation areas and food production sectors

### SC4 Washroom Cleaner and Sanitiser .....2L

- Rapidly removes watermarking and general soiling, cuts through bodyfat residue
- Effective in hard and soft water areas
- Independently tested and certified to EN1276 at a 2% dilution

### SC5 Toilet Cleaner .....2L

- Concentrated acidic formula for cleaning and descaling toilets and urinals
- Thickens when diluted to cling to vertical surfaces, increasing contact time and efficacy
- Suitable on most hard, washable surfaces, including porcelain, stainless steel, chrome and ceramics
- Effective in hard and soft water areas

### SC6 Washing Up Liquid .....2L

- Ideal for hand washing of pots, pans, crockery, glass, kitchen utensils and hard surfaces
- Cut through stubborn dirt, grease and grime

### SC7 Glass and Interior Cleaner .....2L

- Cleans glass and interior hard surfaces including windows, mirrors, glazed ceramics and plastic surfaces
- Safe for use on high gloss laminates, polished granite and stainless steel
- Evaporates leaving a clean, smear-free finish

### SC8 Air Freshener and Odour Neutraliser .....2L

- An effective odour neutraliser and deodoriser
- Formulated to eliminate unpleasant odours at source
- Incorporates a fresh, lemon fragrance

Maximum Eco by Greyland represents a revolutionary step in environmental cleaning. These products are powerful, effective and safer than many cleaning chemicals in use. All are non-toxic, non-flammable, non-carcinogenic and non-harmful to marine and aquatic life. Made from plant based, environmentally friendly ingredients to be fully user-friendly and biodegradable, they comply with all the current and forthcoming legislation including EC Detergent Regulation 648/2004 and REACH 1907/2006.

**Daily Toilet Cleaner..... 5L & 10 x 1L**

- Contains citric acid to reduce environmental impact, whilst still effective as a descaler
- Powerful, long lasting single fragrance solution when used with Maximum Eco's biological washroom range

**Orange Maximum Cleaner & Degreaser .....5L & 6 x 750ml**

- Neutral pH, with no hazard classification
- Highly concentrated cleaner and degreaser, suitable for use on a wide variety of surfaces
- Dilutes up to 100:1 or available in ready to use 750ml form

**Lemon Cleanser .....5L & 6 x 750ml**

- Neutral pH with a zesty lemon fragrance
- Versatile product, gentle on many surfaces
- Non hazardous once diluted for use

**Cherry Maximum Extraction Carpet Cleaner & Deodoriser .....5L**

- Powerful extraction carpet cleaner and deodoriser
- Low foaming, suitable for use in hot or cold water extraction machines
- Leaves a long lasting fruity cherry fragrance

**Floor Maintainer .....5L**

- Neutral pH and phosphate free
- Pleasantly fragranced
- Removes scuffs or marks and protects floors, leaving a high gloss finish

**Lemon Maximum Citrus Floor Gel ..... 5L**

- Neutral pH, with no hazard classification
- A thixotropic liquid with a powerful, zesty, long lasting fragrance
- Effective on all hard floors at removing oil, grease and grime

**Lavender Maximum Floor Gel..... 5L**

- Neutral pH, with no hazard classification
- A thixotropic liquid with a sweet and familiar fragrance
- Effective on all hard floors at removing oil, grease and grime

**Window, Glass and Stainless Steel Cleaner ..... 5L & 6 x 750ml**

- Neutral pH, with no hazard classification
- Cleans & shines all glass surfaces, such as windows, mirrors and stainless steel
- Low odour and streak free

**Cranberry Air Freshener ..... 5L & 6 x 750ml**

- Neutral pH, with no hazard classification
- A fruity perfume with a burst of cranberry
- CFC free and ozone friendly

**Hygiene Lotion Soap..... 5L, 6 x 1L & 6 x 500ml**

- Neutral pH and phosphate free
- Kind on hands
- Non-tainting, odourless and ideal for use in catering environment

**Washing Up Liquid .....5L & 10 x 1L**

- Neutral pH and odourless
- Formulated to minimise the impact on the environment whilst not compromising on performance or quality.
- Will not kill bacteria in septic tanks

# Toilet & Washroom

**Citrus Ultra 4-in-1** .....5L  
Cleans, disinfects, deodorises & descales.  
Conforms to EN1276 and EN14476 at 1:50.  
Effective against coronavirus with a 1 minute  
contact time.

**Purple Maximum 4 Way  
Descaler** ..... 5L & 10 x 1L  
Multi action 4 way toilet descaler. Cleans,  
descales, deodorises and stainless steel safe.

**Toilet Cleaner & Descaler** ..... 10 x 1L & 5L  
Cleans and descales toilets and other ceramic  
surfaces.

**Triple S Toilet Cleaner** ..... 10 x 1L & 5L  
Cleans and descales toilets and other ceramic  
surfaces.  
Safe for use on stainless steel.

**Toilet Cleaner Freshener** ..... 10 x 1L & 5L  
**Apple Toilet Cleaner Freshener** ..... 10 x 1L & 5L  
**Spring Fresh Toilet Cleaner** ..... 10 x 1L & 5L  
A daily cleaner & deodoriser for toilets and urinals.

**BT4 Universal Washroom  
Cleaner** .....5L & 6x750ml  
Removes and prevents build up of limescale  
and uric acid within pipe systems

**BT5 Toilet & Urinal Cleaner** .....10x1L  
A non-toxic drain and gully cleaner and  
maintainer

**BT6 Urinal Blocks** .....1.1kg  
Effective where soiling such as bodily fluids  
or spilt beverages have absorbed into the  
fabric or flooring

**SC4 Washroom Cleaner  
and Sanitiser** .....5L  
Rapidly removes watermarking and general  
soiling, cuts through bodyfat residue

**SC5 Toilet Cleaner** .....5L  
Concentrated acidic formula for cleaning  
and descaling toilets and urinals

**Daily Toilet Cleaner** ..... 5L & 10 x 1L  
Contains citric acid to reduce environmental  
impact, whilst still effective as a descaler

# Toilet & Washroom

**Limescale Remover RTU** ..... 6 x 750ml  
A ready to use limescale remover for use on a variety  
of hard surfaces including porcelain, stainless steel,  
chrome etc

**Citrus Toilet & Washroom Cleaner** ..... 10 x 1L & 5L  
Cleans, disinfects and deodourises most washroom  
surfaces, including stainless steel. Effective against  
most common forms of bacteria.

**Washroom Cleaner RTU** ..... 6 x 750ml  
A concentrated cleaner for use on a variety of  
washroom surfaces.

**Triple Clean** .....5L  
A concentrated cleaner for use on a variety of  
washroom surfaces. Effective against most common  
forms of bacteria. Conforms to EN1276

**Triple Clean RTU** ..... 6 x 750ml  
A foaming ready to use cleaner for use on a  
variety of washroom surfaces. Effective against  
most common forms of bacteria including **MRSA**.  
Conforms to EN1276

**Lemon Channel Blocks** .....3kg  
Deodorant toilet blocks with a powerful and  
persistent perfume.

**Chlorinated Spray and Wipe** ..... 6 x 750ml  
A ready to use chlorinated washroom cleaner.  
Effective against mould & mildew and soiled grout.

**Heavy Duty Mould and Mildew Remover**... 6 x 750ml  
Powerful foaming grout cleaner with a high-alkaline  
formulation designed to effectively remove mould  
and mildew from washroom areas and leisure  
facilities.

# Catering

**Spray & Wipe Ultra..... 5L & 750ml**

An aldehyde-free, high performance disinfectant with broad spectrum activity against bacteria, yeast and viruses. It is an essential product for the fight against cross infection. Ideal for use in and around hospitals, long term care facilities, animal handling, schools, sports facilities, hotels and many other areas or during infection outbreaks. Conforms to EN1276, EN13697, EN14476, EN13727, EN1650, EN13610, EN14561, EN1657, EN16438 and EN14675. Coronavirus contact time of 1 minute.

**Spray & Wipe Sanitiser..... 5L & 6 x 750ml**

A foaming ready to use cleaner suitable for use on most surfaces. It will kill most commonly found bacteria including **MRSA** and is ideal for use in kitchens, food preparation areas and hospitals. Conforms to EN1276

**Food Safe Bactericidal Cleaner..... 5L**

Cleans build-up of grime and grease from most hard surfaces. Contains a bactericide effective against common forms of bacteria, making it ideal for use in kitchens and food preparation areas. Conforms to EN1276

**Food Safe Sanitiser..... 5L**

A concentrated cleaner suitable for use on most surfaces. It will kill most commonly found bacteria and is ideal for use in kitchens, food preparation areas and hospitals. Conforms to EN1276

**Neutral Detergent..... 5L**

For the economic cleaning of dishes and most hard surfaces.

**Washing Up Liquid..... 5L**

A versatile detergent for cleaning dishes and most hard surfaces.

**Concentrated Neutral Detergent..... 5L**

A powerful detergent for cleaning dishes and most hard surfaces.

**Lemon Washing Up Liquid..... 10 x 1L & 5L**

A citrus fragranced neutral detergent for hand dishwashing.

**Hygiene Detergent..... 5L**

Versatile washing up liquid and general purpose detergent.

**Concentrated Machine Dishwash..... 5L & 20L**

For use in cabinet dishwashing machines, especially in hard water areas.

**Machine Dishwash..... 5L & 20L**

For use in cabinet dishwashing machines.

**Rinse Aid..... 5L & 20L**

Assists the final drying process of dishes and cutlery washed in cabinet dishwash and glasswash machines especially in hard water areas.

**Auto Rinse Aid..... 5L & 20L**

Assists the final drying process of dishes and cutlery washed in cabinet dishwash and glasswash machines.

**Concentrated Machine Glasswash..... 5L**

For use in cabinet glasswashing machines, especially in hard water areas.

**Machine Glasswash..... 5L**

For use in cabinet glasswashing machines.

# Catering

**BT2 Kitchen Cleaner & Degreaser Concentrate..... 5L**  
Removes and prevents build up of limescale and uric acid within pipe systems

**BT3 Grease Trap Maintainer..... 5L, 10L & 20L**  
BT3 Grease Trap Maintainer

**SC2 Foodsafe Cleaner and Sanitiser..... 5L**  
Dual action, odouress and non-tainitng formula cuts through grease and dried on food soiling

**SC6 Washing Up Liquid..... 5L**  
Ideal for hand washing of pots, pans, crockery, glass, kitchen utensils and hard surfaces

**Washing Up Liquid..... 5L & 10 x 1L**  
NEED XT

**Machine Glasswash Renovator..... 5L**

A concentrated, low foaming glassware detergent formulated to quickly and efficiently remove ‘bloom’ & protein and yeast deposits from drinking glasses.

**Purple Beer Line Cleaner..... 5L**

An effective cleaner of beer lines and pumps with a colour changing indicator

**Beer Line Cleaner..... 5L**

An effective cleaner of beer lines & pumps

**Descaling Liquid..... 5L**

Designed to remove lime and hard water scale from automatic catering equipment such as machine dish and glasswashers.

**Oven Cleaner..... 5L**

Cleans grease and charred food from ovens and grills.

**Oven Cleaner RTU..... 6 x 750ml**

A ready to use cleaner of grease and charred food from ovens and grills.

**Griddle & Hot Plate Cleaner..... 10 x 1L**

Powerful grill cleaner for hot ovens, food presses, griddles, hot plates etc. Quickly removes baked on carbon and grease whilst the griddle is still hot, to eliminate downtime.

**Drain Unblocker..... 10 x 1L**

Removes heavy organic residues from bathroom and kitchen drains. Will not damage PVC piping or stainless steel.

**Tannin Remover..... 5L**

A chlorinated tannin remover with a gentle action, removes stubborn stains effectively and economically. Safe to use on all crockery

**Dishwasher Tablets..... 190 Tabs**

Tough on grease and stains. Enzymes for washing efficiently. Limescale prevention. Built-in rinse aid. Surfactants for a powerful clean. Fast dissolving. Streak free shine.

**Effervescent Disinfectant Tablets..... 6 x 200 Tabs**

An NaDCC based disinfectant tablet formulated to be effective against all food poisoning bacteria, MRSA, C Difficile (2,000 ppm min.), Viruses, Algae, Fungi, etc.

# Floorcare

**SC1 All Surfaces and Floor Cleaner ..... 5L**

Highly versatile, naturally powerful cleaner for all surfaces and floors. Rapidly lifts grease, oils, stains and body fats. Suitable for use on hard surfaces, carpets and soft furnishings

**Lemon Maximum Citrus Floor Gel ..... 5L**

Neutral pH, with no hazard classification. A thixotropic liquid with a powerful, zesty, long lasting fragrance. Effective on all hard floors at removing oil, grease and grime.

**Lavender Maximum Floor Gel ..... 5L**

Neutral pH, with no hazard classification. A thixotropic liquid with a sweet and familiar fragrance. Effective on all hard floors at removing oil, grease and grime.

**Cherry Maximum Extraction Carpet Cleaner & Deodoriser ..... 5L**

Powerful extraction carpet cleaner and deodoriser. Low foaming, suitable for use in hot or cold water extraction machines. Leaves a long lasting fruity cherry fragrance.

**Wet Look Floor Polish ..... 5L**

A high solids, dry-bright metallised emulsion polish designed to provide a high gloss, durable finish to most hard floor surfaces, including sealed cork and sealed wooden floors. Specifically for use with ultra high speed buffing machines.

**Extraction Carpet Cleaner ..... 5L**

An effective cleaner of carpets and upholstery, this low foaming product is suitable for use with either hot or cold water.

**Extra High Solids Floor Polish (24% Solids) ..... 5L**

Dry-bright metallised emulsion polishes designed to provide a high gloss, durable finish to most hard floor surfaces, including sealed cork and sealed wooden floors.

**High Solids Floor Polish (20% Solids) ..... 5L**

**Floor Maintainer ..... 5L**

A perfumed neutral product to clean and protect emulsion polished floors, including sealed wood and cork.

**Pine Floor Gel ..... 5L**

For the effective cleaning and maintenance of most common polished floor types, including sealed wood and cork. It may also be used to clean other hard surfaces.

**Floor Polish Stripper ..... 5L**

Strips emulsion polishes from most floor surfaces, including sealed wood.

**Rinse Free Floor Stripper ..... 5L**

Strips emulsion floor polishes without the aid of a scrubbing machine.

# Hard Surface Cleaners

**Orange Maximum Cleaner & Degreaser ..... 5L & 6 x 750ml**

Neutral pH, with no hazard classification. Highly concentrated cleaner and degreaser, suitable for use on a wide variety of surfaces. Dilutes up to 100:1 or available in ready to use 750ml form.

**SC3 Foodsafe Ultra Degreaser ..... 2L**

Powerful formula cuts through the heaviest grease, oil and fatty deposits

**Lemon Cleanser Gel ..... 5L**

A powerful and versatile liquid gel cleaner with pleasant long lasting citrus fragrance.

**Carpet & Upholstery Pre-Spotter ..... 6 x 750ml**

A pleasantly fragranced ready to use carpet and upholstery spot cleaner.

**Food Safe Degreaser ..... 5L**

Removes grease, fat and oil from a variety of surfaces. Ideal for use in food preparation areas due to its lack of odour.

**Neutral Scrubber Dryer Detergent ..... 5L**

A low foam detergent for the machine cleaning of floors.

**Heavy Duty Scrubber Dryer Detergent ..... 5L**

An alkaline low foam detergent for the machine cleaning of floors.

**Blu Maximum Cleaner & Degreaser ..... 5L**

Highly concentrated multi-purpose cleaner and degreaser. A powerful cleaner of grime and grease from most hard surfaces, including floors and walls.

**Blu Maximum RTU Cleaner & Degreaser ..... 750ml**

Highly concentrated multi-purpose cleaner and degreaser. A powerful cleaner of grime and grease from most hard surfaces, including floors and walls.

**Orange Maximum Concentrate ..... 5L**

A highly concentrated, versatile cleaner. for use in a wide range of janitorial cleaning areas. Perfect for cleaning most surfaces. Excellent at lifting grease and carbon from ovens, griddles and barbeques.

**Heavy Duty Degreaser ..... 5L**

A powerful cleaner of grime and grease from most hard surfaces, including floors and walls.

**Universal Cleaner ..... 5L**

A general purpose cleaner of grime and grease from most hard surfaces, including floors and walls.

**Universal Cleaner RTU ..... 6 x 750ml**

A ready to use general purpose cleaner of grime and grease from most hard surfaces, including floors and walls.

# Housekeeping

## Furniture Polish.....6 x 750ml & 5L

A wax-free polish formulated to clean & shine wood, paintwork and other coated surfaces.

## Window & Glass Cleaner.....6 x 750ml & 5L

Cleans and shines all glass surfaces such as windows, mirrors and stainless steel.

## Cotton Fresh Air Freshener.....6 x 750ml & 5L

A floral fragranced air freshening product.

## Odour Neutraliser.....6 x 750ml & 5L

A ready to use, fast acting neutraliser with a zesty lemon fragrance. Suitable for use against urine, tobacco smoke, food smells, pet odours and vomit.

## Peek Metal Polish....20 x 100g tube, 6 x 1000ml can

Multi purpose ultra versatile polish.

## BT7 Odour & Stain Digester.....5L & 6 x 1L

Effective where soiling such as bodily fluids or spilt beverages have absorbed into the fabric or flooring

## SC7 Glass and Interior Cleaner.....5L

Cleans glass and interior hard surfaces including windows, mirrors, glazed ceramics and plastic surfaces

## SC8 Air Freshener and Odour Neutraliser 5L

An effective odour neutraliser and deodoriser

# Handcare

## Ivory Lotion Soap.....5L, 6 x 1L & 6 x 500ml pump

## Apple Lotion Soap.....5L, 6 x 500ml pump

## Coconut Lotion Soap.....5L

A range of luxury pearlescent handsoaps suitable for all environments. Ideal for use in most bulk fill dispensers.

## Pink Lotion Soap.....5L & 6 x 1 Litre

A pearlescent handsoap suitable for all environments. Ideal for use in most bulk fill dispensers.

## Luxury Foaming Soap.....5 Litre

A luxury instant foaming soap. Only a small amount is required to provide effective skin cleansing. No water required to create a lather. Highly economical

## Hygiene Lotion Soap ..... 5L, 6 x 1L & 6 x 500ml

# Specialised Products

## Stainless Steel Cleaner & Polish .....6 x 750ml Spray

Low odour non-tainting cleaner and polish which leaves a high gloss finish on stainless steel and many bright metals.

## Concentrated Traffic Film Remover .....5L & 20L

Safely and effectively removes dirt from vehicle bodywork.

## Bubblegum Concentrated Deodorising Fluid .....5L

A concentrated formula that neutralises unpleasant odours, leaving a pleasant bubblegum fragrance.

## Poolside Cleaner & Descaler .....5L

A blend of low foaming surfactants designed to preserve the hygienic conditions of poolside areas. Ideal for the removal of water scale and body fats, safe for use on stainless steel.

## Acidic Concrete & Masonry Cleaner.....5L

An effective cleaner of concrete and masonry surfaces.

## Activator Heavy Duty Graffiti Remover.....12 x 1L

A multi-purpose graffiti remover that is suitable for removing graffiti from non-porous, decorative, laminated plastic or painted surfaces without damaging the underlying finish.

## DP200 Natural Based Chewing Gum Remover.....12 x 1L

A natural based cleaner for safely and easily removing chewing gum and sticky labels. Safe to use on fabrics, carpets, painted surfaces, wood and plastic laminates, inside or outside.

## Deodorising Fluid.....5L

Neutralises unpleasant odours and is ideal for use in areas such as rubbish bins, waste tips and sewage farms.

## Cherry Deodorising Fluid.....5L

Neutralises unpleasant odours and is ideal for use in areas such as rubbish bins, waste tips and sewage farms.

## Graffiti Remover.....5L & 6 x 750ml

Cleans areas of pen and felt tip marks.
