

Party Gadgets

10/04/2007

How do you make a party that your guests will be talking about long after it's over? Well Alison Hammond is busy on the South Bank with Zippo's Circus this morning preparing for a party with a difference. She's got some gadgets that will really get the guests going from a donar kebab maker, a hotdog roller to a candy floss machine and popcorn maker - all under £50!

Kebab Grill - £49.99 www.Drinkstuff.com

Not only can you roti a chicken but this ingenious device allows you to make your own stick kebabs for up to six people, and a real doner kebab.

Hot Dog Roller - www.Drinkstuff.com

This old fashioned style hot dog roller complete with cute plastic canopy to store your hot dog baps in can sizzle four sausages in one go.

Candy Flosss Maker - £24.99 www.Drinkstuff.co.uk

Yes, a candy floss maker, that's safe and easy to use

Ice-cream Maker - £24.99 www.Drinkstuff.com There's a lot on the market but this Magimix version is compact, reasonably priced and portable.

Snow Cone Maker - £24.99 www.Drinkstuff.com

This machine allows you to make those slushy drinks so familiar in childhood, but it means you can add your own flavourings as too.

Popcorn Maker - £19.99 www.Drinkstuff.com

A simple machine that gets the corn popping and ready to eat in just 3 minutes.

Doughnut Maker - £14.99 www.Drinkstuff.com

This doughnut machine makes them just like you get at the fair and because of it's lid it keeps the mess in one place!
